Free NHS Health Checks

If you are aged 40-75 you are eligible for a free NHS Health Check.

This is designed to spot early signs of stroke, Kidney disease, heart disease, type 2 diabetes or dementia.

As we get older we have a higher chance of developing these conditions

We urge everyone who has an invite to take up the offer

Kingfisher PCN is still developing and expanding, which will provide ongoing help and support in our GP practices.

Kingfisher PCN practices share a vision to support and empower patients and carers wherever possible, with an effective range of self management options.

The PCN website is being developed as a patient facing platform with the key intention of presenting an effective range of options and solutions for patients to manage their own needs.

YOUR HELP COUNTS

Did you know that your GP practice is part of the Kingfisher Primary Care Network- PCN?

As a group of GP practices, the PCN is enhancing general practice with the introduction of new services for our patients.

The PPG is a group which gives patients an opportunity to share their thoughts and play an active role in our monthly meetings...

The PPG will give you access to the latest information regarding the PCN. You will also have the opportunity to hear all about the PCN and what we are working on.

We would really welcome your input.....

To find out more about the PCN or to become a PPG member simply email us at:-
